## GAMING ROOM IMPORTANT INFORMATION:

All staff have undergone the latest Harm Minimisation training which is a yearly requirement for all venues with a Gaming Licence. A couple of new things that we are legally obligated to do in order to keep our licence:

1. Undertake 15-minute gaming room sweeps - if you are waiting at the bar and a member of staff heads off into the gaming room - this is what they are doing, it is critical to our licence that we are seen to and carry out these checks **at the required times**.
2. If you are in the Gaming room for more than 3 hours without a break - we are required to check in with you, ask if you're ok and suggest that you take a break.
3. You must come to the bar to be paid out - we will not be paying anyone out in the Gaming Room.
4. You are only allowed to play 1 machine at a time, if you are waiting on a payout - then you may play another machine - but you cannot play 2 'live' machines at once.

Please don't take offence to staff doing what they are required to by the Department of Internal Affairs, they are just doing their job. Failure in the Club complying to the DIA's rules in the above will result in large fines and the loss of our licence.

## OUR STAFF ARE REQUIRED TO CHECK IN WITH YOU IF:

- YOU HAVE GAMBLLED FOR 3 OR MORE HOURS
- YOU HAVE WITHDRAWN CASH ON 2 OCCASIONS FOR GAMBLING PURPOSES
- YOU EXHIBIT SIGNS OF GAMBLING HARM
